

# Certificate of climate protection

**Gold Standard**

This certificate verifies that

**33 tonnes of CO<sub>2</sub> emissions**

has been reduced from the atmosphere to match the unavoidable emissions as a result of the internal GDS-Movement activities from January – December, 2024.

Supporting South Pole's climate action project:

**GS1354 Vietnam Small Hydro PoA - Krong No 2 Hydropower Project**

  
Dr Daniel Klier  
CEO, South Pole
