

Job Description

Senior Changemaker (Destination Sustainability Consultant)

Type of Contract	Part-time. Flexible working hours and policy. Ideally start at minimum of 50%, with goal to increase hours and length of contract
Start Date	1 st Jan 2022
Office / Location	<i>Virtual – Based in Europe</i>

Overview Organisation	<p>The Global Destination Sustainability Movement is a collaborative platform that acts to catalyse transformation in the tourism and events industry by engaging, inspiring and enabling destinations to become more regenerative, flourishing, and resilient places to visit, meet, and live in.</p> <p>We seek to accelerate the transformation from destination marketing at whatever cost towards destination management and stewardship that offers shared value. Our mission is to promote and develop the sustainability and circular strategies, skill sets and mindsets that will enable destinations of the future to thrive.</p> <p>The GDS-Movement evolved from the Global Destination Sustainability Index; the world's leading sustainability benchmarking and performance improvement programme for destinations and their visitor economy. It is a collaborative partnership between ICCA, IMEX Exhibitions, European Cities Marketing, MCI Group, and GUBI consulting</p> <p>We are a passionate, dynamic, and growing global team, totally committed to building a regenerative economy. We love time in nature, a healthy work-life balance, laughing, and living life to the full. Find out more at www.gds.earth</p>
Job Objective	<p>We work with 78+ destinations. We are looking for aspiring changemakers to join our team. Do you have skills and substantial experience in sustainability consulting and destination management? Do you like a challenge, want to make a big difference, and love learning?</p> <p>As a GDS-Changemaker, you will be part of the GDS-Movement team, tasked with providing advisory services and support to benchmarking destinations, conducting consultations, coaching leaders, and communicating the work of our cities and our efforts.</p> <p>You will be trained in the GDS-Index Methodology and have the opportunity to use your knowledge to expand our reach and impact.</p>
